ABOUT EZVIZ

EZVIZ helps you to app your life. Right from the palm of your hand, you connect visually to your home or your work. Welcome to the smart home and business!

FEATURES

FULLY WIRE-FREE SOLUTION

The EZVIZ C3A is an outdoor standalone 100% wire-free, battery-powered security camera. It enables the user to effortlessly and seamlessly place it anywhere without any hassles of dealing with cables.

RECHARGEABLE BATTERY

Long Life 5500 mAh Rechargeable lithium battery that can last up to 3 months, providing constant protection and minimizing camera downtime. When used with EZVIZ W2D base station battery life can be prolonged up to 9 months. (Work Condition: Normal temperature and environment, triggered 5min/Day)

TWO WAYS TO INSTALL

The EZVIZ C3A can be connected to your Wi-Fi directly. Or you can also connect C3A to EZVIZ W2D base station, and then uplink W2D with your router wired.

BUILT-IN INTELLIGENT PIR SENSOR

The adjustable PIR sensor can detect movement and send real time notifications via EZVIZ App

A WIDER VIEW

The FOV of C3A is 126°. This viewing angle allows you to get a wide view of the room/Garden. You can ensure that everything is under control and covered day and night.

FEATURES

SEE WHAT'S HAPPENING IN THE DARK

The camera automatically switches to the night vision when it's dark. Even in total darkness you see what's happening up to 7.5 metres range. You can watch over what is important to you, day and night.

DUSTPROOF AND WATERPROOF, DESIGNED FOR ALL WEATHER

The C3A has an IP65 rating. This means it is dustproof, waterproof and designed to function in the most extreme circumstances or temperatures, from -25°C to 45°C.

TWO-WAY AUDIO

Thanks to the built-in two-way audio, you will not be a mere observer but you are able to interact. Just open the EZVIZ app, start the communication and decide whether you want to scare off an intruder or talk with the visitor at your entrance.

TWO WAYS TO SAVE YOUR RECORDINGS

The EZVIZ C3A supports MicroSD card up to 128GB. Every single C3A is a independent unit to record and save footages. There will be also an optional cloud storage plan soon, EZVIZ aims at ensuring all videos are securely saved.

ALL IN ONE EZVIZ APP

With the easy-to-use EZVIZ iOS or Android app, you can view up to four live video streams at the same time. With the EZVIZ App, you are able to view and manage all EZVIZ devices - cameras, alarm sensors and NVRs - from the palm of your hand. Its clean layout makes it easy to find all your cameras, change settings and see what's happening with just a few taps.
